

Addition of the “Meet-Me” Conference Bridge to EnterpriseVoIP™ Allows Users World-Wide to Communicate Simultaneously

Waltham, MA June 2006...Blue Robin, Inc., a leading eBusiness Infrastructure Development Company, announces the addition of the Meet-Me Conference Bridge to its EnterpriseVoIP™ (Voice over Internet Protocol) phone system.

EnterpriseVoIP's™ Meet-Me Conference Bridge is an all digital, fully integrated, audio conference bridge that allows as many people as required, in multiple locations world-wide, to communicate with each other with no additional costs to the end users. Meet -Me Conference Bridge provides EnterpriseVoIP's™ users an easy and secure way for businesses to conduct their audio conferences hassle free and as an extension to their already robust EnterpriseVoIP™ system. This new feature allows anyone, anywhere to quickly set up a conference call between multiple office locations replacing older technology that requires pre scheduling and fees for the service.

Blue Robin Inc's EnterpriseVoIP™ phone system is designed for small or medium sized businesses. EnterpriseVoIP™ has been successfully installed in the United States and overseas. Users are enjoying EnterpriseVoIP's™ powerful set of features that were previously affordable only by the Fortune 500 companies. This one-source, full-service approach delivers business-class voice and data services in an all-digital format. EnterpriseVoIP™ requires no up-front investment, and offers unlimited local/long distance minutes.

“Our EnterpriseVoIP™ Meet-Me Conference Bridge provides an essential conferencing tool that enables our users to set up virtual meetings, cost-free any time any where”, states Earl Gray, President of Blue Robin.

“Our goal is to deliver full turn-key enterprise solutions for small and medium size companies at a fraction of the cost of traditional phone systems, and to include all the features that will help our clients save time and money, including the addition of our Meet-Me Conference Bridge,” states Hadi Shavarini, General Manger at Blue Robin.
