

## **Strategic Partnership with M&H Consulting adds Computer and Technical Support for Small Business to Blue Robin's Services Portfolio**

**Watertown, MA September, 2004**....Blue Robin Inc, an innovative web development company, today announced that it has formed a strategic partnership with M&H Consulting, LLC Natick, MA. The partnership with M&H Consulting will allow Blue Robin, Inc to provide their current and future client base within the 495 belt in Metro-Boston with full-service, on site computer support and IT services. M&H Consulting was founded to proactively provide the small business with complete and affordable technical support.

"Since founding our company, we have focused on our clients, providing IT solutions they need to grow their business," states Earl Gray IV, President and CTO of Blue Robin, Inc. " with M&H Consulting on our side, we have the ability to offer our clients preventive maintenance, and IT-related services".

"We are proud of what we have accomplished as a company over the years and excited to join the Blue Robin team," states Tom Harriss, president of M&H Consulting. "We can provide complete solutions, with experts experienced in many technical areas including: hardware, software, networking, computer support, and maintenance."

"Competing in today's e-business environment requires a lot of IT horse power. Our goal is to offer all that is needed for our clients to grow their businesses and gain a competitive edge by winning the IT race," states Hadi Shavarini, General Manager of Blue Robin. Both Blue Robin, Inc. and M&H Consulting share the same goal of providing superior, one-stop information technology services, in conjunction with a vast knowledge of small business needs cost effectively.

### **About Blue Robin, Inc.**

Blue Robin is a leading eBusiness Infrastructure developer and can design, develop, implement, and support eBusiness infrastructures that combine data, voice, and video, utilizing the latest and the greatest hardware and software technology in diverse operating environments.

### **About M&H Consulting**

M&H Consulting was founded to provide the small business with a better tech support alternative than the unreliable single consultant or the big expensive consulting firm. They provide complete, proactive technical support at reasonable prices. With a focus on prevention and an understanding of the difficulties and constraints faced by small businesses, M&H is a key partner in the fight to lower the costs and increase the efficiency of your important technology infrastructure investments.
